TO VIEW:

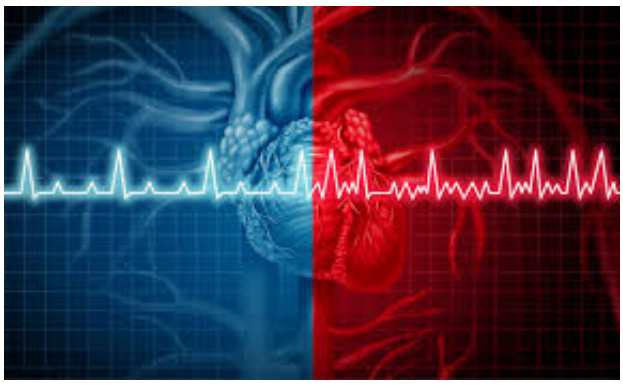
1. **Click on the above image to view as a Pdf.**
2. Once on the Pdf, **click on the Lecturer** you would like to view.
3. Register your name and email to view each of the individual videos on the On Demand platform.
4. To revisit the lecture again you will only need to login with your email address.

Thank you to all our esteemed 2020 Named Lecturers.

SEEKING CLINICAN VIEWS | Exploring anticoagulant use in obesity and AF

You are invited to participate in the DOAC–COAF Research Study.

The study aims to explore and understand clinician beliefs, attitudes, and practices towards pharmacological management in obese patients with Atrial Fibrillation.



The study is being conducted by Fahad Shaikh, a Pharmacist and PhD candidate at Western Sydney University; working under the supervision of Dr Caleb Ferguson (WSU & WSLHD), Prof Rochelle Wynne (WSU & WSLHD), Dr Ronald Castelino (USYD & WSLHD) and A/Prof Sally Inglis (UTS).

Participation involves a 30-60 minute 1-1 interview via zoom or phone.

To participate – please contact

Fahad Shaikh
Mob: 0430 519 944
Email : **19584775@student.westernsydney.edu.au**

or alternatively
Email: **c.ferguson@westernsydney.edu.au**

The study has received ethics approval by Western Sydney Local Health District.
