

## **Senior Staff Specialist and Professor (or Associate Professor) in Cardiology –**

Department of Cardiology, The Prince Charles Hospital, Chermside, Metro North Hospital and Health Service and the Faculty of Medicine, The University of Queensland, St Lucia, Brisbane, Queensland, Australia.

Metro North Hospital and Health Service is the biggest and most diverse Hospital and Health Service in Queensland, delivering the best care by the brightest healthcare professionals. Two of our five hospitals – Royal Brisbane and Women's Hospital (RBWH) and The Prince Charles Hospital (TPCH) – are tertiary/quaternary referral hospitals, providing state-wide super specialty services, such as heart and lung transplantation and burns treatment. Redcliffe and Caboolture are major secondary hospitals, and Kilcoy is a regional community hospital. This is your opportunity to join the dedicated team of professionals at Metro North Health and be part of a world-class, dynamic and growing health service that embraces technology, excellence in health care, teaching, research and empowering our people to be the best in serving our community.

For more than a century, The University of Queensland (UQ) has maintained a global reputation for creating positive change by delivering knowledge leadership for a better world.

UQ ranks among the world's top universities, as measured by several key independent rankings, including the CWTS Leiden Ranking (37)\*, the Performance Ranking of Scientific Papers for World Universities (43), U.S. News Best Global Universities Rankings (42), QS World University Rankings (48), Academic Ranking of World Universities (55), and Times

Higher Education World University Rankings (69). At UQ, we're changing the way higher education is imagined and experienced. Our students enjoy innovative and flexible learning options, diverse and dynamic partnership opportunities, and an integrated digital and campus learning environment.

More than 52,000 students, including the majority of Queensland's highest academic achievers, as well as top interstate and overseas students, study across UQ's three beautiful campuses in South East Queensland at St Lucia, Herston and Gatton. They include more than 16,400 postgraduate and approximately 18,000 international students who contribute to a diverse, supportive and inclusive campus community.
