

# SAVE THESE DATES

Due to the continuing COVID 19 pandemic, our traditional format of a face to face EPIC 2020 meeting will not be possible this year.

We are excited however to announce the launch of EPIC Virtual 2020 in its place!

## - KEY FEATURES OF EPIC VIRTUAL 2020 -

- A series of **Coronary & Structural webinars** being held in October, November & December.
- Pre-recorded Lectures covering all core aspects of Interventional and Structural Cardiology will be available on the EPIC website for on-demand viewing.
- **Free registration** to all webinars and on-demand content.

## - EPIC 2020 VIRTUAL: DATES AND TOPICS -

*(Webinar timings to be announced)*

### **Saturday 31st October**

EPIC STEMI - in association with APAC (Asian Primary Angioplasty Congress)

### **Friday 6th November**
