Winner: Dr Hashrul Rashid (Vic)

Clinical Predictors and Sequelae of Computed Tomography Defined Leaflet Thrombosis Following Transcatheter Aortic Valve Replacement at Medium-Term Follow-Up.

Finalists: Dr Cuneyt Ada (NSW), Dr Anoop Koshy (Vic)

Cardiology Curriculum Review - call for expressions of interest

The RACP Advanced Training Committee in Cardiology is forming two Curriculum Review Groups (CRG) to develop new advanced training curriculum in both adult and paediatric cardiology.

The RACP is calling for expressions of interest from cardiology Fellows and trainees for membership of these groups.

Full details can be found on the RACP website:

[Cardiology – Adult Medicine](#)

[Cardiology – Paediatrics](#)

The closing date for EOIs is **Wednesday, 3 February, 2021.**

If you have any questions regarding the review contact Jennifer Collins, Project Administrator at the RACP on 1300 697 227 or email memberservices@racp.edu.au

Vale - Prof Ian McDonald MD BS FRACP FCSANZ

We acknowledge with regret the passing of Professor Ian Gregory McDonald in September, 2020. Prof McDonald was a world-recognised pioneer in echocardiography and was the founding Director of the Cardiac Investigations Unit at St Vincent's Hospital, Melbourne.

Prof McDonald was a mentor to former CSANZ Presidents A/Prof Andrew MacIsaac and Dr Michael Jelinek who paid tribute to Prof McDonald in an obituary recently published in The Age/SMH newspapers.

Submit your abstract for the 2021 CSANZ ASM Prizes

Young investigators are invited to submit an abstract for consideration for the oral prize sessions at the 2021 CSANZ Annual Scientific Meeting. The prize sessions will be held in a number of different themed areas including:

- [Allied Health, Science and Technology](#)

- [Cardiac Imaging](#)
- [Cardiovascular Genetic Diseases](#)
- [Cardiovascular Nursing](#)
- [Clinical Trials](#)
- [Heart Rhythm](#)
- [Heart Failure](#)
- [Indigenous Health](#)
- [Paediatric and Congenital](#)
- [Prevention](#)

Applicants for the ASM prizes must be members of CSANZ and provide a letter of support from their research supervisor by the closing date. Please read the [eligibility criteria](#) for each of the prize categories on the [website](#). **Abstracts close on Monday, 15 March, 2021.**

2021 Ralph Reader Prize - applications open

Applications are now open for the 2021 Ralph Reader Prize in Clinical and Basic Science. The Ralph Reader Prize is the most prestigious research award to young investigators by CSANZ.

Ralph Reader Prize applications require the submission of a full manuscript. Visit the [website](#) for further details and eligibility criteria.

Applications for the Ralph Reader Prize must be submitted to the CSANZ Office by **6pm AEDT on Monday 15 March, 2021.**

2021 RT Hall Prize - call for nominations

The RT Hall Prize is the most prestigious research award of CSANZ and recognises the achievements of senior and established investigators.

For further information about submitting a nomination and [eligibility criteria](#) go to the [website](#).

Nominations close at **5pm AEDT on Friday, 26 February, 2021.**

Prostheses Reform Consultation Open

The Australian Department of Health is seeking feedback from clinicians and other interested parties on proposed options for reforms and improvements to the Prostheses List. The Department released two reports which provide context to the [Consultation Paper](#) (1.1MB) and facilitate more complete consultation on potential reform options:

- [Review of the General Miscellaneous Category of the Prostheses List](#) (Ernst and Young)

- [Options for a Revised Framework for Setting and Reviewing Benefits for the Prostheses List](#) (Prostheses List Revised Benefit Setting and Review Framework Industry Working Group)

For further information go to the [consultation website](#).

Submissions close on 15 February, 2021.

CSANZ will be preparing a submission in response to the consultation, if any members would like to provide feedback for consideration for inclusion in the CSANZ submission, please email: info@csanz.edu.au. Members may also submit individual feedback directly via the consultation website.

Notice Board
