

## New MBS item numbers for Cardiac Imaging Services

There will be approximately 30 new items to replace the existing cardiac imaging items effective from 1 August 2020. These changes will not include any procedural items. [Click here](#) to find out more about the new items.

The Department is hosting a webinar on **Monday 29 June** from 11:00am to 1:00pm (AEST) to communicate the changes.

Registration is essential, [click here](#) to register. The webinar will be recorded and available via the [MBS website](#) after the event.
