VALE - Dr Peter Hetzel AM KStLJ

MD BS MSC FRACP FRCP FCSANZ

Peter Hetzel was an eminent cardiologist in South Australia and was instrumental in establishing cardiopulmonary bypass surgery at the Royal Adelaide Hospital beginning in 1960.

Peter passed away on 23 May aged 95. Peter was a true gentleman. He was of very even temperament, always pleasant and supportive of his colleagues, students and the nursing and ancillary staff. He was a pleasure to work for and with. He is missed by many.

Registrations are now open for the CSANZ Annual Scientific Meeting and the ANZET meeting to be held virtually and in-person at the Gold Coast Convention and Exhibition Centre.

While the meetings will primarily be delivered virtually, the CSANZ is moving forward with preparations for a limited number of in-person registration options at the Gold Coast Convention and Exhibition Centre. The possibility of other centres around Australia and New Zealand may be announced in upcoming months. As in-person registrations are strictly limited it is recommended you register early.

2020 A.H. Couch Trust Scholar

Congratulations to Dr Charlotte Greer from Christchurch who was recently announced as the recipient of the A.H.Couch Scholarship. Charlotte is a cardiology advanced trainee who is currently taking a year out on maternity leave. During this year she is completing research towards a MMedSci degree investigating 'Right 'Ventricular Structure and Function in Young Adults Born at

2020 ACC In-training exam

CSANZ will again be hosting the ACC in-training exam for cardiology advanced trainees. The exam will be held in October in capital cities in Australia and in Auckland, New Zealand.

Please [click here](#) for information about the exam or [here](#) to download a registration form.

The exam is completely voluntary and results do not have any bearing on the completion of training or obtaining FRACP. Results are confidential and are not given to training supervisors or HoDs.

Australian Young Investigators Win Big at SCCT

Congratulations to the CSANZ members who achieved success at the recent international Society for Cardiovascular Computed Tomography (SCCT) virtual Annual Scientific Meeting.

Young Investigator Award

Winner - Dr Andrew Lin (MonashHeart)

Runner-up - Dr Hashrul Rashid (MonashHeart)

Best Abstract Presentation Prize

Runner-up - Dr Abdul Ihdahid

(MonashHeart collaboration with Prof Dwivedi, Perth)

Overall an outstanding result for young Australian clinical cardiology researchers and again indicating the leading role Australian and New Zealand groups are playing in cardiac CT research.
