## CSANZ-Boehringer Ingelheim Heart Failure Research Grant

Applications are now open from early to mid-stage researchers and healthcare professionals for the CSANZ-Boehringer Ingelheim Heart Failure Research Grant. The value of the grant is A\$50,000.

Both interventional and observational studies in heart failure will be considered. For further information and to apply go to the website [www.csanz.edu.au/CVRIG](http://www.csanz.edu.au/CVRIG).

**Applications close on Monday, 15 June, 2020.**

---

## 2020 CSANZ-Bayer Young Investigator Research Grants

The CSANZ-Bayer Young Investigator Research Grants have been made possible through unrestricted funding by Bayer with the aim of supporting exceptional young cardiovascular research talent in Australia and New Zealand. In 2020, two grants each to the value of A\$50,000 are available. Applicants must be:

- a member of the Cardiac Society of Australia and New Zealand
- six years or less post-award of PhD or a postgraduate qualification
- domiciled in Australia or New Zealand
- affiliated with an academic/scientific institution or national health care system

[Click here](#) for further information.

[Click here](#) to download an application form.

Applications close at 5pm AEST on **Monday, 15 June, 2020.**

## Survey: Use of telehealth for cardiovascular care

All cardiovascular clinicians are invited to complete an anonymous online survey examining clinician perspectives on the use of telehealth for cardiovascular care (Medicare-eligible and non-Medicare eligible).

The **Tele-PC Study** is led by **A/Prof Sally Inglis** (University of Technology Sydney) and **Prof Peter Macdonald** (St Vincent's Hospital Sydney and UNSW) and is funded by Maridulu Budyari Gumal (SPHERE). The survey will only take 8-10 minutes to complete. The survey can be accessed at [this link](#).

All clinicians are also invited to participate in a brief semi-structured phone/video interview to discuss their views and experiences of providing cardiovascular care through telehealth. Survey responses will not be linked to interview participation. Should you wish to participate in an interview, please email A/Prof Sally Inglis at [Tele-PC@uts.edu.au](mailto:Tele-PC@uts.edu.au) to register your interest or find out more information.
