## In the News | Prof Jason Kovacic | Heart Health Check-Up

**7NEWS Melbourne** @7NewsMelbourne · Mar 23

A simple test to detect Australia's biggest killer, heart disease, is now under threat from federal budget cuts. The heart health check-up is at risk of losing its Medicare subsidy. To discuss, @BlakeJohnson spoke with Professor @kovacic\_jason, from @VictorChangInst. #7NEWS

In case you missed the news this week, Prof Jason Kovacic was interviewed on Ch 7 regarding the Heart Health Check-up losing its Medicare subsidy.

Get the team together to take part in the [Creative Display Challenge](#). Share photos on social media with #HeartWeek2023 and tag The Heart Foundation Australia.

[Download printed resources](#) to display at your practice and to engage your community during Heart Week 1 - 7 May 2023.

---

**#HEARTWEEK23 | NHFA CLINICAL WEBINAR | 3 May 7-8pm (AEST)**

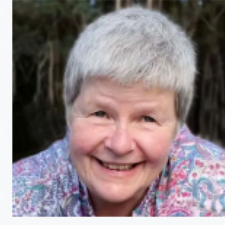

**Professor Sandosh Padmanabhan**  
Professor of Cardiovascular Genomics and Therapeutics, University of Glasgow

**Professor Sophia Zoungas**  
Head, School of Public Health and Preventive Medicine, Monash University

**Associate Professor Peter Psaltis**  
Co-Deputy Director, South Australian Health and Medical Research Institute (SAHMRI)

**Professor Jan Radford**  
Professor in General Practice and Director of the Launceston Clinical School, University of Tasmania

## WEBINAR: [Risky business: Understanding and managing residual CVD risk](#)

Wednesday 3 May, 7–8 pm AEST.

An expert panel of international and Australian speakers will discuss the latest evidence on residual cardiovascular risk, including the role of novel biomarkers such as Lp(a) in clinical practice and how polygenic risk can enhance current risk screening. Followed by an interactive panel discussion exploring the practical application in primary care.
